Have you heard

(Verse)
Christmas time, presents and snow
Children awaiting their miracle
Holidays with time for friends,
The family at the Christmas tree

(Pre chorus)
Do they know, Have they heard,
What this chritsmas brings?

(Chorus)
There's a child born for you and me
Bringing hope that can set us free.
There's a king born in Bethlehem
Have you heard?

(Bridge)
His present is peace, his message is love
His grace flows abundantly
His present is peace, his message is love
His grace flows abundantly

(Chorus)
There's a child born for you and me
Bringing hope that can set us free.
There's a king born in Bethlehem
Have you heard?

(Vamp.)
(sop) Have you heard Love is her
(alt) There's a child born for you and me
(tn) Peace, grace, Christmas love for you.
