

I'M GIVING IN

Anthem I. for Happy Voices

I'm giving in, slowly, I give up myself.
To the tender guidance by Your hand.
In my mind, Your voice is singing.
In my ears, Your bells are ringing,
tearing my doubt apart, to reveal my heart.

I'm giving in, slowly, I surrender now,
to a secret longing in my soul.
In my mind, I hear You knocking.
And I find, Your beat is rocking,
all that I found to be, just a shade of me.

Happy Voices weathering the gale.
Happy Voices soaring hill and dale.
Happy Voices rising proud and strong,
so free...
When I am calling,
when I face, the fear of falling,
You, You will be there.

I'm giving in, slowly, to the joy of life.
Darkness and despair will fade away.
In my mind, I hear You knocking.
In my bones, Your beat is rocking,
rousing a mighty wave, hungry souls believe.
