

I WON'T GO BACK

William McDowell

Verse1 I've been changed, healed, freed, delivered
I've found joy, peace, grace, and favor

Verse1 **I've been changed, healed, freed, delivered**
I've found joy, peace, grace, and favor

Bridge Right now is the moment
Today is the day
I've been changed
I've been changed
I have waited for this moment to come
And I wont let it pass me by

Chorus **I wont go back, can't go back, to the way it used to be**
before your presence came and changed me
I wont go back, I can't go back, to the way it used to be
Before your presence came and changed me

Verse **All my shame, guilt, sins, forgiven**
No more chains, fear, my past, is over

Bridge Right now is the moment
Today is the day
I've been changed
I've been changed
I have waited for this moment to come
And I wont let it pass me **by-a-a-a-ai**

Chorus **I won't go back, can't go back, to the way it used to be**
before your presence came and changed me
I wont go back, I can't go back, to the way it used to be
Before your presence came and changed me

Chorus

Chorus **Musical break (drums only)**
