

"O Holy Night"

Kirsten: O Holy Night! The stars are brightly shining,
It is the night of the dear Saviour's birth.

Long lay the world in sin and error pining.

Till He appeared and the Spirit felt its worth.

A thrill of hope the weary world rejoices,

Kor: Oh oh

For yonder breaks a new and glorious morn.

Oh oh

Kor: Fall on your knees! Oh, hear the angel voices!

Oh night divine, oh the night when Christ was born;

Oh night, divine, Oh night divine!

Uh uh...

Kirsten: Led by the light of faith serenely beaming,

With glowing hearts by His cradle we stand.

So led by the light of a star sweetly gleaming,

here come the wisemen from out of the Orient land.

The King of kings lay thus in lowly manger;

Kor: Oh oh

In all our trials born to be our friend.

Oh oh

Kor: Fall on your knees...

Uh uh..

: Truly He taught us to love another,

His law is love and His gospel is peace.

Chains he shall break, for the slave is our brother.

And in his name all oppression shall cease.

Sweet hymns of joy in grateful chorus raise we,

Kor: Oh oh

Let all within us praise His holy name.

Oh oh

Kor: Fall on your knees...

Uh uh...
